Mrs. Beckley

Mrs. Beckley,  
You are one of my teacher  
that I have enjoyed  
being in here. You helped  
me alot in here. I hope  
someday when I need  
some more help, you  
will be available. I  
will miss you over the  
summer. You have been  
a real good teacher.  
Just hang on as long  
as you can. Well I  
guess this is all for  
me.

Yours truly,  
Macie Carter

## ADVERTISEMENTS

### ACHIEVEMENT

*That man is a success  
Who has lived well,  
Laughed often and loved much,  
Who has gained the respect of  
Intelligent men and the love of children,  
Who has filled his niche  
And accomplished his task.  
Who leaves the world  
Better than he found it,  
Whether by improved poppy,  
A perfect poem or a rescued soul,  
Who never lacked appreciation  
Of earth's beauty or failed to express it,  
Who looked for the best in others  
And gave the best he had*

# SENIORS AND THE **FLORIDA NATIONAL GUARD**

Maybe you  
belong in  
the Guard.

EARN UP TO \$25,000 WHILE YOU LEARN

## Congratulations!

Graduating Seniors of Palmetto High School from your local unit of The Florida Army National Guard. Battery C 1st Bn 116th Field Arty, Palmetto, Florida.

## What lies ahead for you?

Soon you'll be getting out of high school. All of a sudden you're going to have new responsibilities. Like holding down a job. And working with people on a day-to-day basis. You'll find you must develop skills and personal qualities to help you get ahead in life. And you may wonder how.

One way is to join the Army National Guard.

In the Army Guard you prove to yourself and others that you're a truly responsible person. Because you'll be doing something extra to help your country and community.

And the great thing about the Guard is you still can enjoy regular civilian life. That's because the Guard is a part-time instead of a full time military job.

Why not take another big step and join some of your friends, do something different, earn while you're doing it, and still enjoy civilian life and pursuits.
